10 lines to order, 10 of them urgent. Part one is your order sheet, site by site. Part two is the same lines as one list, soonest cut-off first, so nothing gets missed. On order is what Kobas already has against the line, and Order is net of it.

Order quantities are already net of stock in hand and of anything on its way, so order exactly what the Order column says. Days left is that site own average daily usage against the Kobas position. URGENT means the next routine delivery will not arrive in time, so order it AND call your AM. No email ever goes to a supplier.
